Subject: Cap Repair plan - San Jacinto River Waste Pits
Date: Tuesday, December 22, 2015 11:11:45 AM
Attachments: [Draft Work Plan for Additional Rock Placement 12172015REV-2 CLEAN.pdf](#)

David,

The EPA has reviewed the attached workplan and approves the delineation and sampling work planned to begin on Wednesday 12/23/2015. Regarding the construction phase of the work plan, EPA is continuing its review of this portion and will respond by the Close of Business today. However, this is not expected to impact the planned mobilization date of next Tuesday, 12/29/2015.

Regards,

Gary Miller
Remedial Project Manager
